BEFORE YOU GO

Two things are not booked. The Capri ferry for the 19th, and the Sant'Agnello → Praiano transfer on the 22nd. Everything else with a time on it is held and paid.

Carry it offline. Photograph the passports, all four hotel confirmations, the Vatican and Pompeii vouchers and both train tickets into one album on each phone. Download maps for Rome, the Sorrento peninsula and the Amalfi coast — the coast road has no signal.

Cover up for the Vatican. Shoulders and knees, both of you, or you are turned away at the basilica door.
